**Eisenhower Jew, Roosevelt Jew, Churchill Jew, Stalin most likely Jew**

**The Most Horrible Day in German History Ever  
May 8, 1945, so called 'liberation day.'**

**THE BEGINNING OF THE  
“RUNNING OF THE GAUNTLET FOR THE GERMANS!”**

What others, the exploiters, call liberation day is the beginning of the most horrible time in German history. The start of the massive systematic gang rape orgy of our German women and girls and even small children, with great bodily injuries; 10% died of the injuries. Many of them were murdered out right and are not in these numbers. Many women and girls had body parts ripped or bitten off or were tortured to death in the act. Others were tortured to death in the most horrific ways right out. These were not isolated situations but the norm in the East bloc countries. But all the Allies raped brutally! Alone in Germany proper it was 2 Million; including the east bloc countries, it is estimated to be about 5 Million. Here is one scene in the East bloc (warning very gruesome-I cut most of it out):

The torture of our German soldiers by Dr. Werner Weinlein: I am now 81 years old, was a lawyer and for almost 8 years in the Wehrmacht (military) and in the work brigade.[...] the destruction of the Reich, which was for 1000 years responsibility and protection for all Germans. What happened after that was for most Germans, especially for those living in the east of our fatherland, hell on earth! [,,,]Without rights, we were stamped 'free game,' and now the running the gauntlet started for the Germans. Humiliations, defamations, abuse of every type, torture and beating to death, massive murders of imprisoned soldiers and civil personnel went on for many months on end. "Jobs, life and possessions of all Germans are completely in the power of the victors," Churchill explained.

More than 20 Million Germans were driven off their homeland in Europe and around the world, and 1 Million were dragged off to work camps, hundreds of thousands were imprisoned in the whole world or put into concentration camps. And this only because we were Germans. [...] In no way did we believe that

peace could be worse than war. So my unit sacrificed itself again and again, to hold back the masses of the Red Army to assist the Millions of German soldiers, the refugees, the Vertriebenen (people driven out), the many women and children to reach the American lines which were not to be too far in the distance. We still did not know that the "Christian" soldiers of America blocked everything off, did not let anyone in but drove them all onto meadows and gave them over to the incoming Red Army and the Czechs wandering about even though they saw what kind of brutal crimes they did to them.

[...] Here Mr. Weinlein is walking the death walk: [...] A few of them were asked if they had been with the Hitler-Youth. If one of them said he was, they took him away and we heard nothing but screaming and often shots. [...] We were driven onto a street heading for Melnik. There the street was made narrower and a horde of people were waiting for us and now we had to run the gauntlet. We were hit with sticks and bars and iron parts. Rocks were thrown at us. Suddenly I had a terrible hit on my head and shortly after one right into my face when I lost a few teeth and could not see anything any more. I was wavering but was able to stand on my legs. Whoever fell, was totally beaten, stepped on, and no one could help him anymore. It was hell. The last thing I felt was a comrade took me by the hand and pulled me forward. Until this day, I do not know who this comrade was who had saved my life because soon he was torn from me. [...] No one was able to stay with his comrade. In every village we passed through we were frisked and every last bit of item taken from us. Again and again, people, mostly soldiers who were tall and blond or were officers pulled out, beaten and then one would hear screaming and shots.

[...] Still we did not know that this was going on in many villages in Czechoslovakia, if not even worse. Our horror train kept moving east. One day we walked through a village where people looked at us especially hateful and treated us hateful. There we saw at a schoolhouse, which was a makeshift hospital, as they threw injured Germans from the top floor onto the street. Some were still alive and one in bloodcurdling cries begged us to help him [...]

### **ALL CRIMES CONTINUED FOR YEARS ON END...**

**THE GREAT RAPE OF OUR GERMAN WOMEN AND CHILDREN BY ALL THE ALLIES AND IN ALL THE EUROPEAN 'ENEMY' COUNTRIES.**

**THE BLACKS WHO COULD NOT EVEN TALK TO WHITE WOMEN IN THE U.S., NOW HAD A FIELD DAY; THE MONGOLIAN HERDS, AND ALL THE OTHER NATIONS WERE TRODDING ON OUR BODIES, VIOLATING US. GANG RAPES AND STANDING IN LINE WERE COMMON.**

Further: Humiliations of all types. Beatings, torture, slaughter, executions. Every form of cruel death imaginable, Germans have suffered it. (This is primarily due to hate caused by the outrages, most perverted Jewish defamation spread all over the world since 1900 in their media and falsely blaming the wars on the Germans). The Germans suffered robbery, kidnaps, deportation, slow starving to death. They were driven off their land and home in all the east bloc countries, had all their property taken. Our nation's gold was robbed, our treasures gone, our patents taken, our art in the churches and museums hauled off, our resources, our science, our inventions and our many German people kidnapped and dragged off to France, America, Russia, England, etc. as slave laborers where many of them died, especially in Russia. They left us only with our clothes on our back. The soldiers from all the Allies robbed the German homes of their little treasures while they raped the women and girls. The elderly and injured husbands had to watch. Fathers killed their whole families to avoid this. Hundreds of thousands of German women and girls took their lives

to avoid rapes. Hundreds of Thousands of ethnic German women and children vanished in their flight from the East bloc countries or whilst forced on a trek back to Russia.

THE WHOLE WWI AND WWII 'PROJECT' WAS A HOME INVASION SCHEME PLANNED BY THE ALLIES. NOT ANY DIFFERENT THAN COMING TO YOUR HOME AND ROBBING, RAPING, AND MURDERING YOU. AFTER THE WAR, IT WAS ALSO A PUNISHMENT PLOT BY THE JEWS!

**MORE THAN 12 MILLION GERMANS MURDERED AFTER THE WAR BY THE ALLIES!**

**These 12 Million were murdered or set up to die slowly AFTER the war!**

**ca. 300,000 Jews perished in the Reich of all causes according to the Reich's death registration!**

A total of 17 Million Germans died in WWII, 66% murdered after capitulation.

Please know the truth: The whole murderous rage in the East bloc countries is due to the Russian Jewish Bolshevik government bringing horror upon the nations. They in turn retaliated by babbling after the Jewish press blaming the Germans for starting the war which is not correct. (Germany did not start WWI (on 6<sup>th</sup> place) and not WWII. The Poles started WWII. The truth is on the internet if you want it. It is the Jewish hate that has stirred the flame for ethnic cleansing and horrible crimes against humanity (just like the Jews did in all the revolutions!). The Poles and the ethnic Germans had lived together for hundreds of years peacefully before WWI. Who made this change??? (Poland had 10% Jews in the early 20<sup>th</sup> century.)

The German people and the German government are silenced by the Jews with the "hate bill." If you speak the truth about the Jews, you go to prison if you are a Canadian or European citizen. Now they want to silence us, too.

The Jews are now trying to control our speech on the internet. More and more truth about the Jews is coming to the surface, and America is waking up; they do not want this. They do not want the general public to know that

**it is the Jews who are the racists and hate all people and want to kill them all.**

Old Testament invention by the Jews and for the Jews:

Isaiah 34:2 "For the indignation of the Lord is against all nations, and His fury against all their armies. He has utterly destroyed them. He has given them over to the slaughter. (To the slaughter!) Also, their slain shall be thrown out. Their stench shall rise from their corpses, and the mountains shall be melted with their blood."

This is what these people live by and have for thousands of years already.

**Indeed, they did! 70 Million people slaughtered in Europe. A big percentage of them the finest people and the greatest minds on earth!**

**Killing us is what they wanted!**

Less competition from us. We are only there to serve them, they claim, and when Germany did not want to serve the Jews anymore, their usury, their filthy sexual perversions, and perverted literature and art, and was not willing to take loans with high interest rates from the Jewish bankers, they had no more use for Germans. And that's why they defamed us and so got 'everyone' to attack us.
